BASIC PHOTOSHOP
.ILLUSTRATOR
.INDESIGN
UNITY3D
MICROSOFT OFFICE SUITE

EXPERIENCE

Pi Delta Psi - New York University **Webmaster**

JAN 2016 - PRESENT

Conceptualized and created the newly designed website for the upcoming semester, including the styling, and layout of the website and the content of the website.

BNF LA - Finishing Company LOS ANGELES, CA **Temporary Worker**

JUN 2015 - AUG 2015

Created and sorted packing lists of clothing being shipped out using Microsoft Excel. Oversaw the content of incoming packages, including the sampling to determine whether or not a customer's order is worth fulfilling.

Worked with managers from other departments of the company to resolve any logistical issues between different orders.

RELEVANT COURSES

DM-UY 1123 - Visual Foundation Studio

SEPT 2015 - DEC 2015

Learned how to use Adobe Illustrator, Photoshop and Indesign at basic levels. Familiarized myself with the importance of iterative design, and attention to detail.
